wa\_state\_wine In Washington State, wine is more than just wine. It's the product of a region where people work collaboratively, eschew definitions and defy expectations. #WaWine #WaCabSauv #RedMountain #RedMtn

my\_magnificentobsession Love it!

wa\_state\_wine So you think it rains all the time in Washington State? You think there's no way a place like this can grow exceptional wine grapes? Go ahead, think what you will. We'll let the wine and landscapes do the talking. 📷

Columbia Valley

**wa\_state\_wine** #Sémillon hanging on the vines in the Royal Slope, Columbia Valley. This thin-skinned Bordeaux variety makes for excellent dessert wine and is the dominant grape in luscious #Sauternes.

wa\_state\_wine Winter weather calls for a bold Washington State red wine. Cozy up to the region's Cabernet Sauvignon, Merlot, or GSM Blends to shake off your chills and frost. 📷 @cypresswinebar
